ACCESSORIES FOR THE LEGRIS AND RECTUS RANGES

Parker offers a range of accessories to facilitate installation and ensure safe use of Legris and Rectus products.

Push-in fittings accessories

Installation guide

Safety clip

1. Assemble the clip

2. Connect the tube

3. Cut the clip using pliers

4. Remove the clip

5. Release the tube

Coloured Release Button Covers

The release-button covers in different colours can be fitted onto the push buttons of LF 3000® and LIQUIfit® fittings.

Removable, they are available in 5 colours and allow you to use a tracking code on the circuits.
